Beyond Spa Gift Voucher

You'd have to like someone an awful lot to give one of these away.

Beyond Spa is the new 'medispa' at Harvey Nichols, where you can visit a plastic surgeon, dermatologist and physician all under one roof for treatments including Chemical peels, Teeth whitening and Laser skincare. Gift vouchers start not from a fiver, but £150! Your lucky giftee will also get this Anya Hindmarch eye mask, which is worth £200 alone. So...who's getting me one?
